

THE AMERICAN RADIO RELAY LEAGUE

Shack of Wisconsin Route Manager MEMBER'S CORRESPONDENCE

912 Racine Street,
Jefferson, Wis.,
April 11, 1928.

Dear Don, Secy MRAC,

Enclosed find one dollar (\$1.00) for one year non-resident membership in the Milwaukee Radio Amateurs Club. Your records should show that my membership at present expires the end of this month.

Am planing on attending the state convention next month. It is customary that prizes are given during these conventions, to certain hams present, for certain accomplishments. I beleive in encouraging conventions. One method commonly used in promoting such interest is to award a prize to the ham in attendance, who came from the most distant QRA. Please advise the committee that I will secure two new UX210 RCA or Cunningham tubes which I want them to award ^{one} to the Wisconsin ham in attendance who comes from the most distant point, and one to the ham coming the greatest distance from any other part of the world. These will be absolutely new, and I will turn them over to the convention committee upon arriving in NUK for the convention, which will be at the start of the "doings". 88.

Respectfully

Joseph Kemmeter
Wisconsin Route Manager
